**MEMORANDUM  
AND ORDER**

The court notes that Plaintiff has filed numerous Motions to Amend the Complaint (Filing Nos. 7, 8, 11), as well as letters requesting that certain incidents be included in his Complaint (Filing Nos. 13, 14). Until Plaintiff pays his initial partial filing fee, the court cannot conduct initial review of the Complaint, at which time the court will determine if Plaintiff's case may proceed. If the case is allowed to proceed further, Plaintiff may be ordered to file an amended complaint that can incorporate the subjects mentioned in Plaintiff's Motions to Amend and letters to the court. But at this early stage, Plaintiff's Motions are premature and shall be denied without prejudice to assertion at a later time should Plaintiff's case be permitted to progress.

IT IS ORDERED:

1. The Clerk of Court shall mail a copy of Filing No. 10 to Plaintiff at the Lincoln Diagnostic & Evaluation Center, which is Plaintiff's current address of record.
2. Plaintiff shall pay an initial partial filing fee of \$5.32 on or before August 22, 2019, as directed in Filing No. 10.
3. Plaintiff's Motions to Amend the Complaint (Filing Nos. 7, 8, 11) are premature and are denied without prejudice to reassertion should Plaintiff's case be permitted to proceed after initial review of Plaintiff's Complaint.
4. Plaintiff is advised to stop filing Motions to Amend the Complaint and letters requesting the same until the court has conducted initial review of the Complaint and has ruled that this case may progress.

DATED this 30th day of July, 2019.
